2009

Miscalculation Of Time Vol.2 Mot is Death

13 track CD. Depicting a person who is fired unjustly and in turns takes out his revenge on those who terminated him. Before he can take his own life he is confronted by Mot who explains to him the deep metaphysics behind recurrence. Influenced by P.D.

2007

Miscalculation Of Time

13 track CD that delves deeper into the phenomenon of Recurrence. The structure of "linear time" giving way to the ancient belief of cyclical time. Dan Susnara included on track 5 and Guy T. Fisher on track 3. Influenced in part by P.D. Ouspensky's: "**Strange Life Of Ivan Osokin**".

2007

Veritas

Another conceptual CD, 12 tracks most of which concern the metaphysical subject of Recurrence. Influenced in part by P.D.Ouspensky and his **Fourth Way** teachings. One track "May Day" exposes the sinister H.A.A.R.P.

2006

Electronic Messenger

15 tracks that express metaphysical concepts including a reading from Nietzsche's "**The Greatest Weight**", and reflections of my youth. Mark Stears included on one track as well as one poem by Guy T.Fisher.

2005

What It Is
